contact members if there are things you believe Governing Council need to discuss or make decisions about in relation to the school. Governing Council is not an avenue to discuss individual student concerns, it has a whole school focus.

A reminder to students and Parents/Caregivers that students are required to leave the school grounds straight after the final bell at 3.05 pm unless they are attending OSHC at Stepping Stone or the TWCCC. If this is the case students are still required to go to the designated meeting place and not detour to other areas of the school first. In the mornings students are required to go straight to class once they arrive at school, regardless of whether they arrive by bus, have walked or are with Parents/Caregivers. They are not permitted to play in the yard before the first bell, as we encourage students to use this time to get organised for the school day, catch up with incomplete homework/other tasks, speak with their peers and/or teacher etc. Although teachers are on site and the classrooms are open at 8.30 am to cater for our bus students, there is no need for students to arrive as early as 8.30 am, ten minutes before the first bell provides plenty of time to get organised for the day.

The last two weeks of the term will be four day weeks due to the Easter long weekend now occurring during the school term. Hopefully this does not impact on the good work of our students this term and they are able to remain focused.

Enjoy the long weekend with your family and Happy Easter to all.

Lynda Fitzpatrick-Brown

Winter Tennis in Gawler

Junior tennis will be played again in Gawler during winter 2015. This competition is played Fridays at Essex Park on Victoria Tce and is open to all players under 18. For more info email juniors@gawltc.org.au or phone 0419 218 458. Nominations close on Friday 1 May.

**Positive Education by Ms Woodland**

Carol Dweck, a Professor at Stanford University, suggests that people (adults and children) can be categorised into two groups: those predominantly with a FIXED mindset and those with a GROWTH mindset.

<table>
<thead>
<tr>
<th>Fixed</th>
<th>Growth</th>
</tr>
</thead>
<tbody>
<tr>
<td>“How smart I am is all genetic and so I don’t have any control over it.”</td>
<td>“Anyone can increase their intelligence through effort.”</td>
</tr>
<tr>
<td>“I can’t change who I am. My personality is hardwired.”</td>
<td>“The harder you try, the more you will learn.”</td>
</tr>
</tbody>
</table>

**What do you think?**

**STATEMENT**

<table>
<thead>
<tr>
<th></th>
<th>FIXED OR GROWTH?</th>
</tr>
</thead>
<tbody>
<tr>
<td>I like it when people tell me how to improve.</td>
<td></td>
</tr>
<tr>
<td>I am no good at studying and never have been.</td>
<td></td>
</tr>
<tr>
<td>I’m not very good at Maths, but neither was my mum, I have inherited her Maths genes.</td>
<td></td>
</tr>
<tr>
<td>I get really nervous when facing a challenge, but then I start working on it and enjoy the challenge.</td>
<td></td>
</tr>
<tr>
<td>If I can’t do something, I give up to avoid the embarrassment.</td>
<td></td>
</tr>
</tbody>
</table>
