I recently received the written report from the External School Review undertaken late term 2. The External Review evaluated:

- The school’s self-review process and findings
- The school’s achievement data and progress over time
- The outcomes of the meetings and interviews with representatives from the school, and parent and student views about the school

The outcome of the External Review is that ‘Two Wells Primary School is tracking satisfactorily. The school has developed whole school approaches to provide cohesion and continuity for students and is using data to inform planning and instruction’. The full report will be on the school website by the end of next week. If you would like to comment or provide feedback I am happy to receive this via email.

Sports Day will be held next Friday. A separate flyer will go home with this newsletter outlining the schedule for the day as well as food and drink options. Please note that in the past we have spent time dealing with the inappropriate behaviour of high school age students. High school siblings of current students should be at their own school. If they do attend our Sports Day, they must be accompanied by their own parents, otherwise they will be told to leave. Sports Day is an extremely busy day for our staff and we should only have to manage students enrolled at our site. I would appreciate your support with this matter to ensure we all have a great day.

“We make a living by what we get, but we make a life by what we give.”  Winston Churchill
